

ALFI PE & RE CONFERENCE

21 - 22 November 2017, European Convention Center Luxembourg

ALFI is revamping its traditional European Alternative Investment Funds Conference into the brand-new ALFI Private Equity and Real Estate Conference. The first day of the conference will focus on Private Equity and the second day on Real Estate. In order to round out the picture of the alternative investment fund business, we will organise a pre-conference event to expand on other types of funds like loan funds, debt funds, infrastructure and hedge funds. We are expecting to welcome 600+ participants from Europe, the Americas, Asia Pacific, Africa and the Middle East.

Meet with 600+ of your experienced peers from 200+ companies representing the alternative investment funds community from 30+ countries
